Last Updated Tuesday, 24 April 2007

Thermobile is here! Please place your order through this website.

The Thermobile itself comes with a wire. However, if your wire is damaged [which occurs only if handled without care], then you can order an individual wire as well.

We are often asked for our policies regarding discounts for education use or quantity purchase. At this point our only discount method is:

Buy 10 Thermobiles, Get 1 Thermobile Free!!!
